ORDER

ROSS B. SHAPIRO, MICHAEL A. GRAMINS
AND TYLER G. PETERS,

Defendants.

X

ROBERT W. LEHRBURGER, United States Magistrate Judge.

This resolves Defendant Peters' request to compel production of materials from the SEC concerning the Harrison Parking Investigation and the Dinucci Investigation. (Dkt. 152.) Peters' application is granted in part and denied in part. This Court already has ordered the SEC to produce witness statements and testimony for certain individuals. (Dkt. 150.) To the extent not previously encompassed by that order, statements and testimony of both Harrison and Dinucci should be produced as those materials are relevant to Harrison and Dinucci's credibility and they are potential witnesses in this case. However, the Court does not agree that documents concerning what other people said about Harrison and Dinucci should be produced. These materials go far afield into collateral issues and/or inadmissible material, and their production is not proportional to the needs of the case.

SO ORDERED.
